To give expression to the sentiments and opinions of the loyal people of Kan-ssa, we, the delegates seembled in State Convention, do hereby adopt the following resolutions :

Resolved. That with a devout thankfulness and gratitude to God, who has delivered us from the anarchy and decolation of war-who has overthrown and broken the cursed power and orime creating institution of slavery—and with we hereby re-affirm our devotion to liberty and to the sacred and inalienable rights of man.

Resolved. That in the great and awful wickedness which our President has perpetrated in making treason a virtue and sanction of law; in casting upon the noble and sacrificing Unionists of the South the scorn and the insolence of tyrannic power; in fostering and encourageing the spirit of diseffection among the rebels, and in crushing the dawning hopes of the freedmen; in usurping and overriding the authority of Congress, and in trampling confidence and respect, and to his inso lence and threats we harl back our defiance and scorn.

That our Congress, for their unwavering fidelity to duty, to the freedmen and the Government; for their undaunted beroism in resisting the encroschand punish treason, and for their love of Grossman of Massillon. justice, we exted to them the gratitude and thanks of a greatful people. And to our Senator and Member of Congress, because they have obeyed the wishes and not triffed with the conscience of their constituents-from the bottom of our hearts we extend to them the hand of greeting, and sav, "Well done, good and
